EDUCATION

The Pennsylvania State University; University Park, PA
Doctor of Philosophy Degree; June, 1985
Kinesiology (Motor Control/Learning)

University of Oregon; Eugene, OR
Master of Science Degree; June, 1982
Exercise and Human Movement Studies (Motor Control/Learning)

University of Melbourne; Melbourne, Australia
Diploma of Physical Education; October, 1975
Bachelor of Education; October, 1976

PROFESSIONAL POSITIONS

- 2012 – present Director, Institute of Gerontology, California State University, Fullerton, CA.
2009 – present Adjunct Professor of Gerontology, Leonard Davis School of Gerontology,
University of Southern California, Los Angeles, CA.
2009 - present Director, Center for Successful Aging, California State University, Fullerton, CA.
2005 – present Co-Director, Fall Prevention Center of Excellence, California State University,
Fullerton, CA.
2002- present Professor, Division of Kinesiology and Health Science, California State
University, Fullerton.
2002-2005 Graduate Program Coordinator, Department of Kinesiology, California State
University, Fullerton, CA.
1999 – 2008 Co-Director, Center for Successful Aging, California State University, Fullerton
CA.
2001 – 2004 Professor, Physical Therapy Department, Chapman University, Orange, CA.
1998 – 2001 Associate Professor, Department of Kinesiology and Health Promotion,
California State University, Fullerton, CA.
1997 - 1998 Visiting Scholar in Gerontology, California State University, Fullerton, CA.

PROFESSIONAL POSITIONS

- 1995 - 1997 Graduate Program Coordinator, Department of Exercise and Sport Science, Oregon State University, Corvallis, OR.
- 1993 - 1997 Director, Oregon State University Balance Retraining Program; Oregon State University, Corvallis, OR.
- 1991 - 1997 Associate Professor and Director of Motor Behavior Laboratory, College of Health and Human Performance; Oregon State University, Corvallis, OR.
- 1985 - 1990 Assistant Professor and Director of Motor Behavior Laboratory College of Health and Human Performance; Oregon State University. Corvallis, OR.
- 1982 - 1985 Graduate Research Assistant, Motor Behavior Laboratory The Pennsylvania State University; University Park, PA.

- Rose, D.J. (2000-2003). The Center for Successful Aging Balance and Mobility Specialist Instructor Certification Program. Archstone Foundation. (Amount Funded: \$330,749.00).
- Rose, D.J. (2004-2009). Fall Prevention Center of Excellence. Archstone Foundation. (Amount Funded: \$1.3 million).
- Rose, D.J. (PI: 2005). Dissemination Research on Fall Prevention: Development and Testing of an Exercise program Package to Prevent Older Adult Falls. Proposal submitted to Centers for Disease Control and Prevention, National Center for Injury Prevention and Control. Amount Requested: \$899,355.00. Not Funded.
- Pynoos, J., Rose, D.J., & Rubenstein, L. (Co-PIs)(2007-2010). Developing California's Fall Prevention Infrastructure Through Model Projects. Archstone Foundation. (Amount Funded: \$600,000.00).

SCHOLARLY ACTIVITY

Grants

Rubin, D (PI; 2011-2015). "Physical activity interventions in individuals with Prader Willii Syndrome" (#W81XWH-11-1-0765). Congressionally directed medical research program. US Army medical research and material command. (Amount Funded: \$1,411,718). Role: Co-investigator.

Rose, D.J. (2011-2012). Fall Prevention Center of Excellence. Archstone Foundation. (Amount Funded: \$216,677.00).

Rose, D.J. (2012-2013). Stay Well at Home: A multifactorial fall risk reduction program. Incentive grant, California State University, Fullerton. (Amount Funded: \$10,000.00).

Rose, D.J. (2012 - 2014). Stay well at Home: A Multifactorial Fall Risk Reduction Program. California Wellness Foundation. (Amount Funded: \$150,000.00).

Consulting Contracts

1999-2000 Contracted to serve as consultant to Mercy Healthcare Hospital, Sacramento, CA. Assist with development of Fall Risk Reduction Program for Geriatric clientele.

2001-2002 Contracted to serve as clinical faculty in Breakthrough Series on Improving Patient Safety within the Veteran's Administration system. Project initiated by VISN 1 Patient Safety Center of Inquiry, Department of Veterans' Affairs, Vermont.

2002-2004 Colorado Wellness Coalition. Contracted to provide consultation and training of instructors to implement FallProof balance and mobility program in Colorado. Provided grantee (C. Katzenmyer) with material for proposal submitted in 2002 (Funded: \$125,000).

2003-2004 Hired as consultant by Center for Community Wellness, University of California, Berkeley to assist with development of Pennsylvania statewide falls prevention initiative.

2003-2004 City of Claremont. Contracted to train peer mentors, perform pre-and post-program assessments, develop medical profiles and complete statistical analysis related to implementation of FallProof program at Joselyn Senior Center, Claremont, CA. Assisted with development of one-year grant submitted to Archstone Foundation by City of Claremont and Joselyn Senior Center. (Funded: \$15,000).

2007 Contracted by The OASIS Institute to develop a balance training curriculum "Better Balance" designed for older adults at low risk for falls as part of a multifactorial fall prevention program. Amount Funded: \$10,000.00

SCHOLARLY ACTIVITY

Consulting Contracts

- 2007-2011 Contracted by Sepulveda Research Corporation to conduct functional performance assessments in conjunction with the InSTEP model fall prevention programs at six sites within Orange and Los Angeles counties. Amount funded: \$41,599.00.
- 2010 Contracted by St. Barnabas Senior Services to evaluate the cross-cultural efficacy and adaptability of the InSTEP program. Amount Funded: \$15,000.00.
- 2010-2011. Contracted by California Department of Public Health to evaluate two evidence-based fall risk reduction programs being disseminated in California. Amount Funded: \$20,000.00.
